General Hint - One way to find this SWC is with “Advanced Search” entering the contract number MED49 in the “Description” field.

Vendor catalogs can be searched in their Master Blanket Purchase Order (MBPO) **ONLY** if you are logged in to [COMMBUYS](#), and were assigned a “Basic Purchasing” role by your Organization Administrator. When you log in and are working under the Basic Purchasing Tab (many users will see only this tab), you can search the items in a vendors catalog under the items tab. You can use the results of your review of prices or your RFQ to create your Purchase Requisition, which will become your Purchase Order when approvals are complete.

The Price is the final Net delivered price that includes the Federal Excise tax. A listing of awarded products is at the end of this guide.

Additional Information

- 1. Geographic Service Areas:** This contract covers all areas of the Commonwealth of Massachusetts.
- 2. Product Specifications:** All items sold under this contract are compliant with all applicable Federal laws and regulations such as FDA 21 CFR; and all applicable Commonwealth of Massachusetts Laws and Regulations.
- 3. Ordering:** Please place your orders early by pre-booking to help guarantee that you will be able to obtain influenza vaccine. Influenza vaccine is usually pre-booked in the spring and delivered in the fall. Each year only a finite amount of influenza vaccine is formulated and produced for a single flu season. When demand exceeds a vendors supply the vendor stops taking new orders. When severe influenza vaccine shortages have occurred in the past the Federal government has put influenza vaccine on allocation and restricted its use to high-risk populations. While no influenza vaccine shortage is now foreseen for the 2014-2015 flu season, past experience has shown that an influenza vaccine shortage can develop rapidly. For purchaser job aids, click here: [COMMBUYS Purchasing Job Aids](#).
- 4. Delivery:** Influenza Vaccine is delivered cold and requires refrigeration once it is delivered. Shipping is included in the net price.
- 5. Returns:** Influenza Vaccine is not returnable for credit. The \$ 0.75 per dose Federal Excise tax on unused vaccine is refundable.
- 6. Additional Influenza Information:** The Massachusetts Department of Public Health (DPH) maintains current information on their [DPH Flu Page](#). The Massachusetts Immunization Program (MIP) is in frequent contact with local Boards of Health and provides them with information about this Contract.

Where to Find Contract Information on COMMBUYS

To find in depth Master Blanket Purchase Order (MBPO) information: on the [COMMBUYS](#), login page click on the “Contract & Bid Search” link, click the Contracts/Blankets button, enter the contract number (three letters two digits) in the Contract/Blanket Description, (if you have logged in and searching, some users will see a box labelled “Header Major Status” – if so, use the dropdown menu to select “3PS-Sent), then all users click the “Find It” button, to see all MBPO’s. You will see the MBPO’s listed below for each of the Contractors. If you see a “vCurrent” MBPO, it is historical information from the prior COMM-PASS system. Click the link you want to see. The Contract User Guide and RFR are posted with the MBPO’s.
